SUCCESSFUL SUMMER

Our 2020 Summer Camp has now come to a close, and we are so thankful for such an amazing summer! A survey was sent out via email on your experience so make sure to fill that out. From exploring around the world, science experiments, turtle time with the aquarium and more, we hope it was a fun and memorable experience for your camper! Thank you to each family who participated - we hope to see you again next summer!

EXTRACURRICULAR ACTIVITIES

This fall Talbot Park Preschool is pleased to offer three extracurricular activities to our students: Soccer Shots, Music with Moriah, and Mrs. Martin's Art Class. Registration and payment for each activity is handled directly with the organization offering it. Space is limited, so if you are interested in signing your child up for any of these activities, and haven't already done so, please contact Nicole in the office (423-8677) for registration information.
